INTERNATIONAL AUDIT STUDENTS EXPLAINED

Lifestyle Christianity University welcomes internationals from all over the world as full-time International Audit Students. We invite YOU to join us in person for our year-long program! You can begin your registration online.

Since September 2020, LCU has transitioned to a year-long program. At that time, we applied for our SEVP certification to be able to accept international students at LCU under a student visa status. Currently, all internationals who wish to study at LCU are considered "Full-Time International Audit Students."

In the near future, we pray we can begin accepting and enrolling international students under a student visa status. Please join us by praying for favor in this process as we take these next steps in receiving the nations at LCU!

For now, all Full-Time International Audit Students must attend LCU under the ESTA Visa Waiver Program.

JOINING US? | HERE ARE YOUR OPTIONS

As previously stated, currently all Full-Time International Audit Students must attend LCU under the ESTA Visa Waiver Program if they want to join us in person. Our second option is to attend LCU Online!

INTERNATIONAL GUIDELINES FOR ATTENDING LCU ON CAMPUS

For all countries under the ESTA Visa Waiver Program, you are ONLY ALLOWED TO STAY IN THE UNITED STATES FOR A MAXIMUM OF 90 DAYS at a time. The following allows you to be here for 90 days in 2024 and 90 days in 2025 for LCU Year 1, 2024-2025.

In addition, this will still allow you to come back in the Fall of 2025 for LCU Year 2 for an additional 90 days if you know the Lord hasn't released you yet.

If you are planning on attending LCU Year 1, please follow the attendance dates/schedule below so that you are here at the beginning of the year and at the end of the year:

Once you leave the country, you will be able to continue the school year via Online Classes. Watching Online Classes for a period of time will allow you to complete the school year in person in the months to come. ADDITIONAL EXPENSES

While temporarily living in the United States, please budget for the following additional expenses: Transportation, Food, Housing, and Living Expenses (bills, fees, etc.).

LIVING IN THE UNITED STATES

Lifestyle Christianity University is located in the Dallas/Fort Worth Metroplex and specifically located in Watauga, Texas. Just a 25-minute drive from the Dallas-Fort Worth airport, LCU is a beautiful, 36-acre campus you can't miss. We can't wait to welcome you!

AIRPORT INFORMATION

When booking your airlines tickets, you will need to arrive at Dallas-Fort Worth International Airport, TX. This is the main and largest international airport in the DFW area.

A secondary airport option is DAL, Dallas Love Field Airport, TX. International flights to this airport are extremely limited due to airport size.

HOUSING

When looking for housing, your prices will vary depending on whether you are a single student, married couple, or a family. Your pricing will vary depending on your needs. Typically, most single students find roommates and the average rent per person is approximately \$400 - \$500 per month for a shared room. A couple can find a studio or 1-bedroom apartment for approximately \$1,000 - \$1,500 per month. A family apartment will cost \$1,500 - \$2,500 per month depending on location and amenities. Housing rentals start at \$1,700 and can go as high as \$4,000+ per month for a large, 4+ bedroom home.

*Please keep in mind these amount values are in U.S. Dollars.

There are several resources that can help you. Visit the following websites and search Watauga, TX to see current availability: www.homes.com and www.apartments.com

Lifestyle Christianity University offers "accepted" International Audit Students access to a closed Facebook Group page called "Lifestyle Christianity U - Housing Options." Please use this resource as soon as you are accepted to connect with LCU students already in the community or planning to arrive. This has been a valuable tool and many of our students are able to connect with great housing opportunities this way.

We encourage all LCU students to use discretion when making a roommate or housing choice. Please read all contracts carefully and make sure that both parties sign rental agreements and each party receives an original copy of the rental agreement.

HEALTHCARE

Currently, the United States has a fee-for-service health system and most residents of the United States either purchase private health insurance or they pay out-of-pocket for healthcare. It is the law of the United States that no person can be denied Emergency Medical Services based on their ability to pay. If you have a true medical emergency, please call 911 and provide the address of your physical location, or go to the nearest hospital emergency room.

For more routine health problems, you can choose to pay for a walk-in medical clinic. If prescribed medication, you will need to take the prescription to a pharmacy to be filled unless otherwise directed by your doctor. We highly recommend that you download the “GoodRX” app on your phone. It will help save you significant money on prescriptions that you will have to pay out-of-pocket for because you do not have insurance.

The following are clinics, hospitals, and pharmacies near LCU:

Walk-in Clinics:

- Care Now
- Minute Clinic
- MD First Watch Urgent Care
- Super Urgent Care

Hospitals:

- Baylor Scott White
- Medical City Alliance

Pharmacies:

- CVS
- Walgreens
- Kroger
- Walmart

TRANSPORTATION

If you are going to be a non-immigrant resident, it is imperative that you have some form of transportation. Texas is very big and everything is spread out. Public transportation is limited. Thankfully, many areas have shopping districts where you can find all that you need within a 10-mile radius. Beyond a car, a moped, electric scooter, or bicycle would be a workable option if your housing is not too far from LCU.

We also encourage students to carpool with their fellow classmates and/or roommates who have vehicles. Carpooling is a great way to commute and you can split the gas money.

- Albertsons
- Aldi

- Central Market
- Sprouts
- Costco
- Sam's Club
- Winco

POSTAL SERVICES

The most convenient way to send mail is through the U.S. Postal Service. You can purchase books of stamps at the local grocery stores or at the Post Office. A typical personal letter and business letter now take one stamp. If the contents cause the envelope to become heavy, it may take two or more stamps depending on the weight. If in doubt, the local Post Office can weigh it for you and you can pay for the cost at the Post Office and mail it directly from there. There are other delivery services and they are listed below as well.

Mail delivery services in the U.S. include:

- United States Postal Service ([USPS.com](https://usps.com))
- Federal Express (fedex.com)
