INTERNATIONAL STUDENTS EXPLAINED

Lifestyle Christianity University welcomes internationals from all over the world as full-time International Audit Students. You can attend our year-long program by starting your registration online.

Since September 2020, LCU has been transitioning to a year-long program. At this time, we have applied for our SEVP certification to be able to accept international students at LCU under a student visa status. Currently, all internationals who wish to study at LCU are considered “full-time audit students”.

In the near future, we pray to soon be accepting and enrolling international students under a student visa status. Please join us by praying for favor in this process as we take these next steps in receiving the nations at LCU!

For now, all full-time International Audit Students must attend LCU under the ESTA Visa Waiver Program.

JOINING US? | HERE ARE YOUR OPTIONS

INTERNATIONAL GUIDELINES FOR ATTENDING LCU ON CAMPUS

For all countries under the ESTA Visa Waiver Program, you are **ONLY ALLOWED TO STAY IN THE UNITED STATES FOR A MAXIMUM OF 90 DAYS** at a time. The following allows you to be here for 90 days in 2022 and 90 days in 2023 for LCU Year 1 2022-2023.

In addition this will still allow you to come back in the fall of 2023 for LCU 2 for an additional 90 days if you know The Lord hasn't released you yet.

If you are planning on attending the LCU's Year 1 Program, please follow the attendance dates/schedule below so you are here at the beginning of the year and at the end of the year.

Watching online classes for a period of time, will allow you to complete the school year in person in the months to come. You **MUST** follow the dates/schedule below while out of the country taking classes online:

As a Canadian citizen, you may travel to the United States for pleasure, to attend a conference or just travel without the need for a specific visa and be out of the country for a limit of 180 days per year. You can also review the following for more information.

When looking for housing, your prices will vary depending on whether you are a single student, married couple or a family. Your pricing will vary depending on your needs. Typically most single students find roommates and the average rent per person is approximately \$300 - \$500 per month. A couple can find a studio or 1 bedroom apartment for approximately \$800 - \$1000 per month. A family apartment will cost \$1000 - \$1800 per month depending on location and amenities. Lifestyle Christianity University offers "accepted" International Audit Students access to a closed Facebook Group page called Lifestyle Christianity U - Housing Options. Please use this resource as soon as you are accepted to connect with LCU students already in the community. This has been a valuable tool and many of our students are able to connect with great housing opportunities this way. We encourage all LCU students to use discretion when making a roommate or housing choice. Please read all contracts carefully and make sure that both parties sign and each party receives an original of the rental agreement.

HEALTHCARE

Currently, the United States has a fee for service health system and most residents of the United States either purchase private insurance or they pay out of pocket for healthcare. It is the law of the United States that no person can be denied Emergency Medical Services based on their ability to pay. If you have a true medical emergency please call 911 and provide the address of your physical location, or go to the nearest hospital emergency room.

For more routine health problems you can choose to pay for a walk-in medical clinic. If prescribed medication, you will need to take the prescription to a pharmacy to be filled unless otherwise directed by your doctor. We highly recommend that you upload the GoodRX app on your phone. It will help save you significant money on prescriptions you will have to pay out of pocket without insurance.

The following are clinics, pharmacies, and hospitals are available:

Walk-in Clinics:

- Care Now
- Minute Clinic
- MD First Watch Urgent Care
- Super Urgent Care

Local Hospitals:

- Baylor Scott White
- Medical City Alliance

Pharmacies:

- CVS
- Walgreens
- Most local grocery stores
- Kroger
- Walmart
- Albertsons
- Tom Thumb

TRANSPORTATION

If you are going to be a nonimmigrant resident, it is imperative that you have some form of transportation. Texas is very big and everything is spread out. Public transportation is limited. Thankfully, many areas have shopping districts where you can find all that you need within a 10 mile radius. Beyond a car, a moped, or bicycle would be a workable option if your housing is conveniently located.

We also encourage students to carpool with their fellow classmates and/or roommates who have vehicles. Carpooling is a great way to commute and you can split the gas money.

- Walmart
- Kroger
- Tom Thumb
- Albertsons
- Aldi
- Natural Foods
- Central Market
- Sprouts
- Costco
- Sam's Club
- Winco

POSTAL SERVICES

The most convenient way to mail is through the U.S. Postal Service. You can purchase books of stamps at the local grocery stores. A typical personal letter and business letter now takes one stamp. If the contents cause the envelope to become heavy it may take 2 or more stamps depending on the weight. If in doubt, the local Post Office can weigh it for you and you can pay for the cost at the Post Office and mail directly from there. There are other delivery services and they are listed below as well.

Other delivery services in the U.S. include:

- United States Postal Service ([USPS.com](https://usps.com))
