TUITION PAYMENT OPTIONS

After you have been officially accepted as an LCU Student, you will be invoiced for a **USD \$450** deposit and USD \$4,450 for tuition. You can pay this deposit by logging into your student portal. After you have paid your deposit, begin paying the remainder of your tuition. You will have a few options as to how you can complete payment.

1. Early Pay Tuition

We encourage all students to follow the Early Pay Option we offer. After you pay your \$450 deposit, begin paying your invoiced tuition. **If your Early Pay tuition is made by the August 5, 2022 deadline, your total tuition is USD \$4,050** (instead of USD \$4,450).

Steps for this option include:

- Pay your USD \$450 deposit
- Pay your Early Pay tuition of USD \$4,050 by August 5, 2022
- Early Pay tuition + deposit = USD \$4,500
- Total Early Pay tuition discount: USD \$400

2. Standard Tuition

If you are not able to pay your USD \$450 deposit and Early Pay tuition by August 5, 2022, that's okay! If you are planning to pay Standard tuition, you will have until August 26, 2022 to pay your balance of USD \$4,450. Please keep in mind that the last day to pay for your tuition is **August 26, 2022**, in order to attend LCU in September.

Steps for this option include:

- Pay your USD \$450 deposit
- Pay your Standard tuition of USD \$4,450 by August 26, 2022
- Standard tuition + deposit = USD \$4,900

All payments are due by August 26, 2022 in order to attend New Student Orientation, Wednesday, September 7, 2022.

**Please note that you do not have to pay these amounts in full or in one transaction. After you have been accepted, you can pay these amounts in different transactions as long as your total is paid by the appropriate due date.*
