

## 2021-2022 Financial Snapshot

APPLICATION FEE	STANDARD TUITION	BOOKS & MATERIAL
<b>\$75</b>	<b>\$4,900</b>	<b>\$250</b>

### TUITION PAYMENT OPTIONS

After you have been officially accepted as a LCU Student, you will be invoiced a **\$450 deposit**. You can pay this deposit by logging into your student portal. After you have paid your deposit, you will be invoiced the remainder of your tuition and will have a few options as to how you can complete payment.

#### 1. Early Pay Tuition

We encourage all students to follow the early pay option we offer. After you pay your \$450 deposit, you will then be invoiced the remainder of your tuition. **If your early pay tuition is made by the August 13th, 2021 deadline, your total tuition is US \$4,050** (instead of US \$4,450).

##### Steps for this option include:

- Pay your US \$450 deposit
- Pay your early pay tuition of US \$4,050 by August 13th, 2021
- Early pay tuition + deposit = US \$4,500
- Total early pay tuition discount: US \$400

#### 2. Standard Tuition

If you are not able to pay your US \$450 deposit and early pay tuition by August 13th, 2021, that's okay! If you are planning to pay standard tuition, **you will have until September 8th to pay your balance of US \$4,450.**

Please keep in mind that the **last day to pay for your tuition is September 8th**, which is the first day of New Student Orientation.

##### Steps for this option include:

- Pay your US \$450 deposit
- Pay your standard tuition of US \$4,450 by September 8th, 2021
- Standard tuition + deposit = US \$4,900

All payments are due at New Student Orientation, Wednesday September 8th, 2021.

*\*Please note that you do not have to pay these amounts in full or in one transaction. After you have been accepted you can pay these amounts in different transactions as long as your total is paid by the appropriate due date.*

### PAYMENT PLAN OPTIONS

Our payment plan option is available to students who are not able to pay their full tuition by September 8, 2021. Here's a breakdown of the payment plan option:
